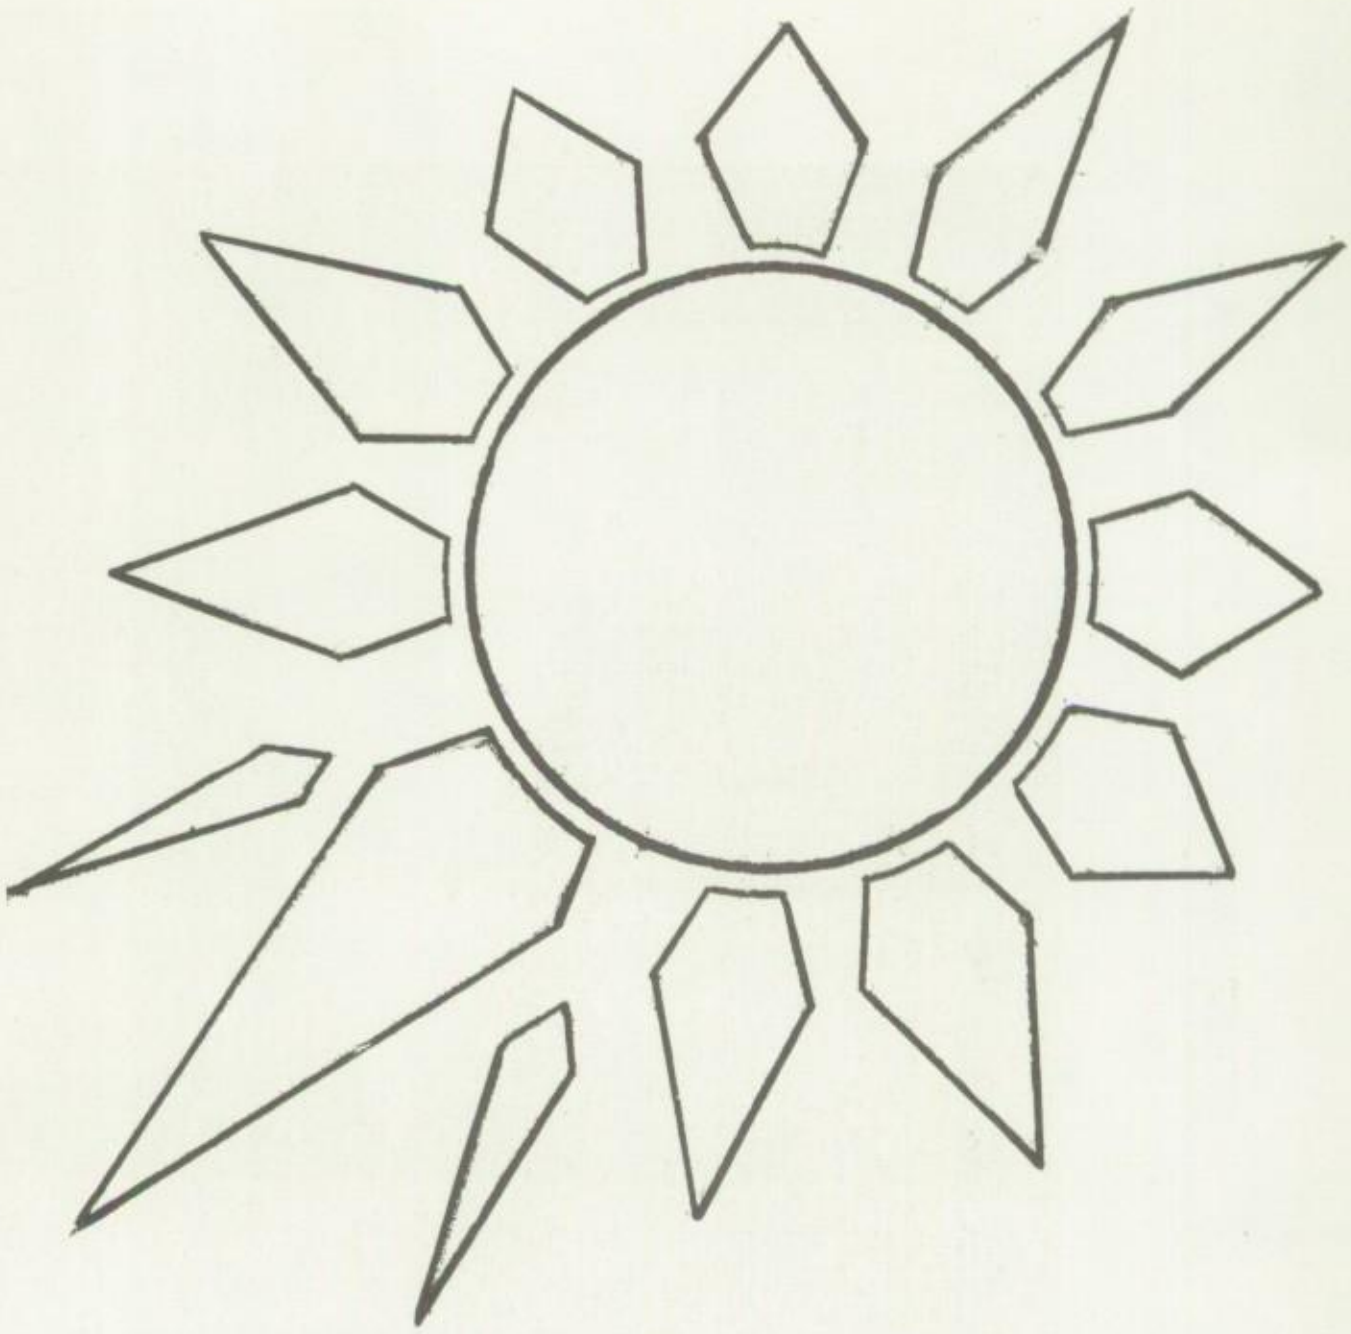
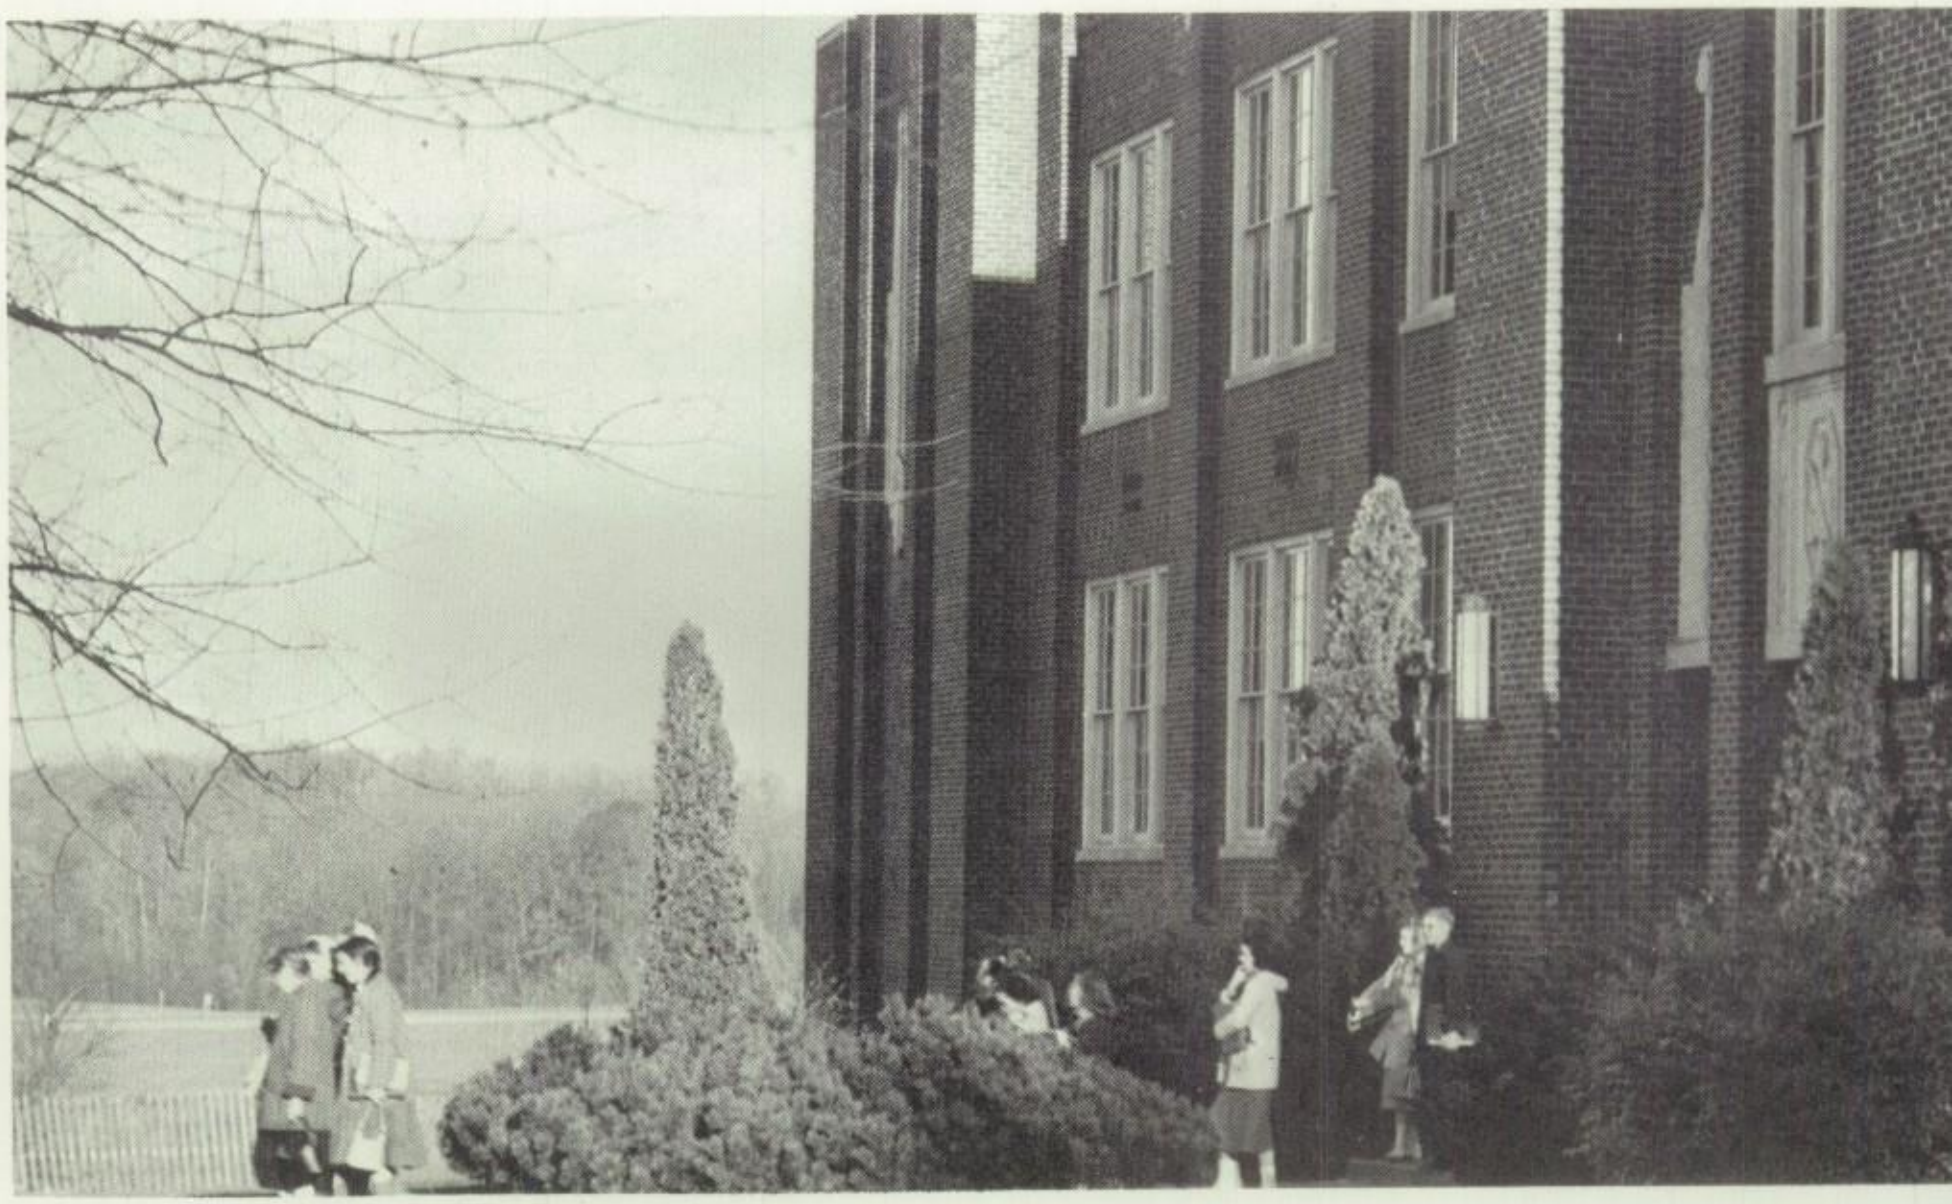
MISS ELIZABETH BEMILLER



DEDICATION

Long remembered and cherished will be our memories of Miss Elizabeth Bemiller. The interest, effort, and dedication of Miss Bemiller as a biology instructor, the Future Nurses League adviser, the Sophomore Class adviser, and the make-up artist for the annual Christmas program are but a few of the examples of her dedication to the students of Westminster High. For her service, guidance, and interest for the school and for the students, we, the class of 1963, proudly dedicate our 1963 yearbook to Miss Elizabeth Bemiller.



FOREWORD

The Class of 1963 has finally come to end of what many times has seemed to be an eternity. We come to the realization now that it has been a small, but tremendously important, part of our lives. We approach graduation with a little sadness, many fond memories, an eagerness to begin a new phase of our lives, and a hesitation to try our wings in a troubled world.

This, then, is our yearbook, which in years to come will enable us to recall a few of the memorable moments of the most wonderful years of our lives.

ADMINISTRATION

Graduation from high school has great importance in our society today. Members of the Class of 1963 have now reached this goal. I believe we are all aware that merely getting a high school diploma is of little value in itself. What we have acquired in the way of knowledge, personal relationships, and responsibilities during our twelve years of formal education is of importance. Many members of this class will be going on to further education, either in colleges or through vocational training. Regardless of our future plans we shall soon learn that there are many challenges confronting us as we begin our life's work. Setting our sights on what appears to be even fleeting goals will lead us to strive to do our best and to attain those qualities and standards which will help us to become useful citizens in the world of tomorrow. It is of extreme importance to each individual to make the best use of his abilities and to contribute to the welfare of our country.

ALMA MATER

To thee, Westminster High School dear,
Our Alma Mater true,
With many a cherished memory
Our thoughts will stay with you;
And oft our kindled hearts will blaze
For knowledge, truth, and right;
In proud allegiance here we praise
Thy true blue and pure white.

With virtue, honor, love supreme,
We raise our grateful song,
Creator of our youthful dreams
And of our purpose strong;
Thy guiding hand will lead us then,
Thy high ideals prevail;
These halls will ring as now we sing —
Westminster, hail all hail!

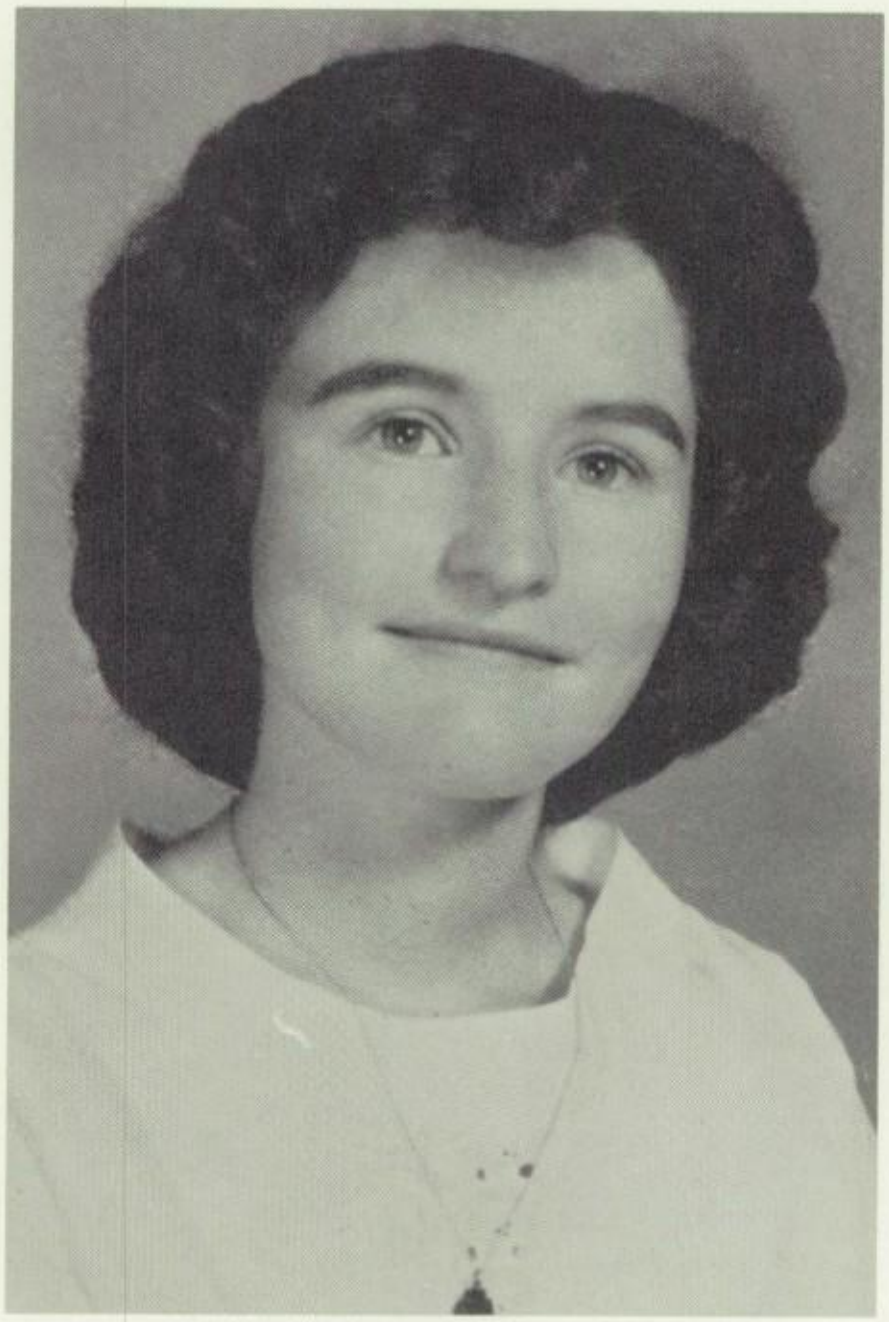
In Memoriam



JUDITH IRENE LIPPY

Each of us in the Class of '63 holds a place for you, Judy Lippy. Your sweet smile, your thoughtfulness, your constant courage — these will we remember of you. We speak to you now, knowing that somehow you will hear these words — knowing that you will remain a part of our hearts forever.

STUDENT COUNCIL

As a representative group of the entire student body, the Student Council is Westminster High School's most important organization. A representative and an alternate are elected from each homeroom. Through a general election of the entire student body officers are chosen. The Student Council's main purpose is to provide a place to discuss school policies intelligently and constructively. Not only by discussion, but also through projects does the Council work for the school. One project, the scholastic letter, gives recognition to students who have excelled in their studies. The Council provides a newly-invigorated school store, and a helpful student handbook. It aids a needy family at Christmas and conducts a money-raising candy campaign. Westminster sends delegates to the county, state, and national student councils.

"But I only have a nickel."

The Key Club is the boys' service club sponsored by the Westminster Kiwanis Club. Every year six boys from each grade are inducted into the club on the basis of their leadership qualities.

As a service club, the Key Club carries out various projects. Among its projects are the concession stand at home football games, the Boys' Health Room, the Football Formal, and the May Dance. Last year the Key Club began sponsorship of a small Greek boy through Save the Children Federation.

The Key Club participates in the national program by attending the District Convention.

"Double, double toil and trouble:
Fire burn and cauldron bubble."

COMMITTEE MEETINGS

EVALUATION STUDENT COMMITTEE

In 1953 Westminster High School was accredited by the Middle Atlantic States Association as an A accredited school. During the year, from March 12 through March 14, a group of nineteen educators observed our school in all areas. Based on the observations of these educators will come the accreditation of W.H.S. Although it has been ten years since our previous evaluation, it is now the policy that all schools must be evaluated every five years. The faculty and student body have combined their efforts to proudly present W.H.S. to the evaluation board.

CHRISTMAS MUSIC

The Tenth Grade Chorus

Under the direction of Mr. Herbert Sell, the Senior High Christmas Chorus presented one of its most successful Christmas concerts, including the traditional Handel's "Hallelujah Chorus." The Tenth Grade Chorus then presented a medley of carols.

The Birth of the King

CHRISTMAS DRAMA

The Senior Dramatics Class under the supervision of Mr. William Eaton presented the inspiring Christmas production "Birth-place for a King."

SENIORS

SEASON'S REVIEW

The Owl football squad finished the 1962 season with 4 wins, 5 losses, and 1 tie.

After a touchdown in the first quarter by Gettysburg, the Owls stormed from behind to score two touchdowns and a safety. This racked up the first Owl victory by a score of 14-6 over the Warriors.

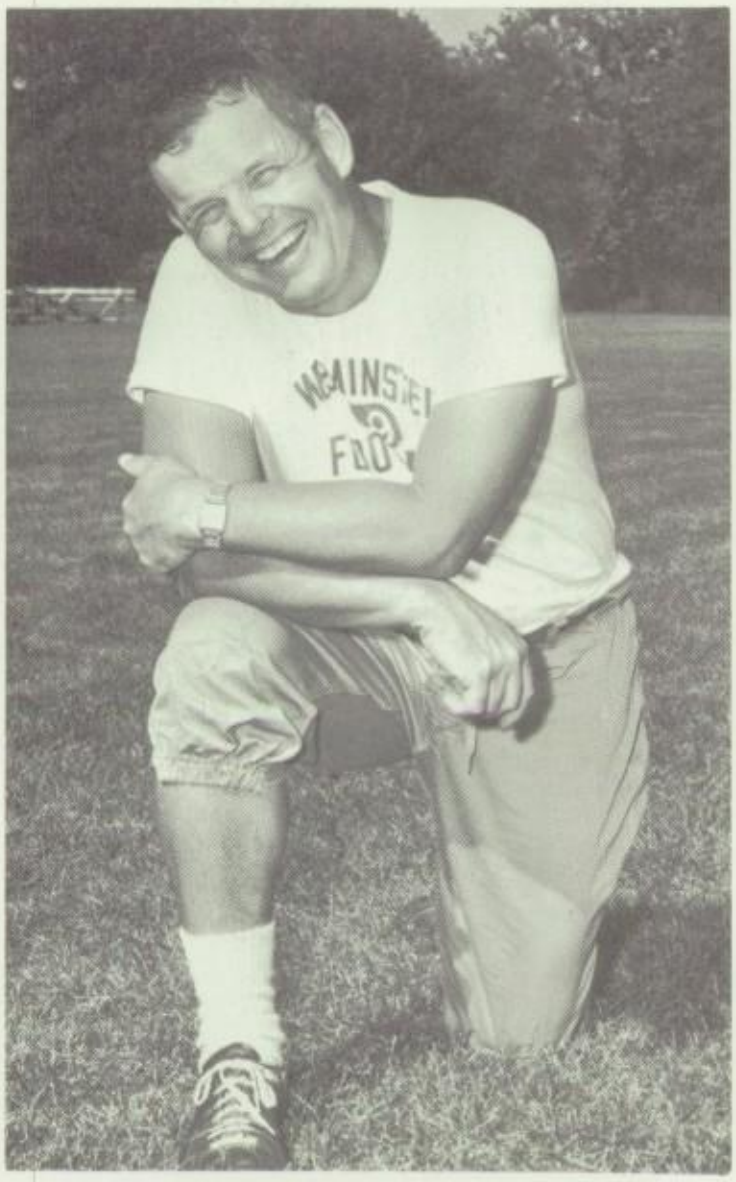
At North Hagerstown Westminster dented the Hubs by a score of 21-0. Owl defense allowed the Hubs to complete only 4 out of 14 passes.

Following the North High game the Rebels of South High played host to WHS. The Owls rallied in the first quarter, but the Rebel team defeated the Rubymen 28-13.

The Owls staged a comeback by defeating Belair on the Bobcats' gridiron. The Owls scored two spectacular fourth-quarter touchdowns to make the final score 18-9 in favor of the Owls.

The big Owl team chalked up another victory by a 9-7 score over the Waynesboro Indians.

The pigskin brigade met with tough opposition in the battle with Handley. Trailing 21-7 at the half, the Owls fought hard to close the gap to 21-14, but Handley came out on top.



Head Coach, Mr. Ruby

Managers: C. Yingling, D. Nuby, J. Cock.

Again this year the Fort Hill Sentinels stood their ground against the Owls. The Owl offense and defense battled hard, but Fort Hill emerged victorious.

At Martinsburg the Owls challenged the favored Bulldog team. The Owls launched a scoring drive in the third quarter, but the Bulldogs struck back with 2 touchdowns to leave the score an Owl loss of 14-6.

On the WHS gridiron the Owls met the Allegany Campers. Driving hard the Owls fought down to the last second by gaining 2 touchdowns, but the Campers came out on top.

With fine offense and defense against Frederick the Owls ended the season. Handicapped by wind and rain, both teams scored one touchdown making the final score 6-6.

The Owls' hardwork had been well rewarded in a well-played season. The blue and white of the Owl gridmen had once more come through for WHS.

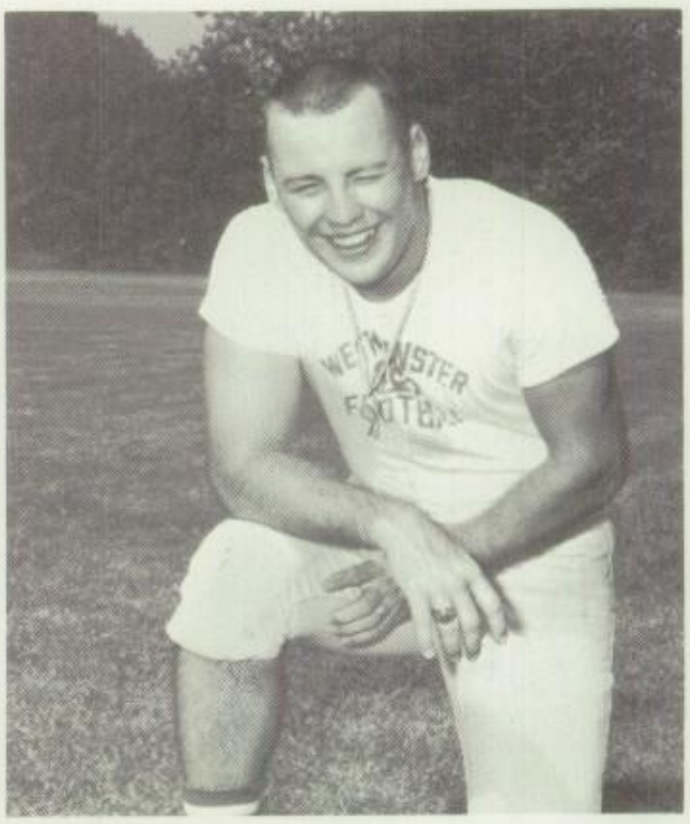
JUNIOR VARSITY FOOTBALL

Mr. Loveless, Coach



This season the Junior Varsity football squad had the toughest schedule it has seen. It consisted of seven games of which South Hagerstown, Martinsburg, Waynesboro and North Hagerstown were new opponents.

Our football program was hampered by the loss of the 9th grade. With the 9th grade gone, the quantity of potential football players was diminished. The J.V. squad consisted entirely of 10th grade students. The bulk of the work lay on the shoulders of a few boys.

Inexperience also plagued the squad. For most of the boys, it was their first year out for football and they had a great deal to learn. Despite setbacks, the team functioned well and capably represented the school.

Cliff Eisberg — Center Forward

This season when the All-County soccer team was selected, Westminster had one player named to the team, Cliff Eisberg. Playing the center forward position on the team, Cliff did a commendable job. Cliff also had the distinction of being the high scorer on the team, booting in six goals.

The All-County team is selected by the soccer coaches. Nominations are made for each position and a vote then taken. The nominee with the highest numbers of votes is elected to the first team; the nominee with the second highest number of votes is elected to the second team.
